

General Regulations for Admission into Church Schools, Malta Kindergarten 1 - 2025-2026 Applicants born in 2022

ADMISSIONS CRITERIA

1.0 CRITERIA 1 - MAINSTREAM: Apply with the higher criterion according to your case.

a. Children from Church Homes.

b. Church School Employees or Employees of the Secretariat for Catholic Education may register their children in the same school where the parent / custodian works, or in a school of the same religious entity. Reference to this criterion will hereafter be “children of employees in the same school”.

Curriculum Heads of Departments of the Secretariat for Catholic Education may register their children in the same school where they teach three times a week.

The parent / custodian should have been employed *full-time*, latest, during the first part of the scholastic year prior to the scholastic year of admission and has to still be employed *full-time* with a church school at the beginning of the scholastic year of admission. This includes *full-time* employees who are on reduced hours temporarily and will return to *full-time* employment. This is not applicable to those employed long-term on *Full-Time Reduced Hours* .

Children of employees at the following schools may be registered in the same school where the parent / custodian works, or in a school of the same religious entity:

Boys and Girls: St. Albert the Great, St Angela Lija, Msida, Rabat, Żabbar; St. Francis Birkirkara, Cospicua, Imsida, San Ġwann, Sliema and St Luċija; Theresa Nuzzo Ħamrun and Marsa.

ċ. Children whose siblings are attending a Church School during scholastic year 2024-2025 may be registered in the same school as their sibling/s or in a school of the same religious entity. The schools of the religious entity need to be either both in Malta or else both in Gozo.

This is not applicable to the siblings of Sixth Form students at St. Aloysius College Birkirkara.

In a school for girls only, the Siblings Criterion will not apply if the applicant is a boy, and vice-versa. In this case, the applicant may apply under the “Other Applicants” Criterion (paragraph 3).

Eligible for this criterion:

- i.** Siblings, from the same parents / custodians and who are residing in the same house and form part of the same family.
- ii.** Siblings, who although have common parents / custodians, do not live in the same house or family but spend at least 20 hours a week together. For the application to be considered, one needs to submit relevant documents **and** a declaration under oath, taken in front of a notary, made by both parents / custodians, indicating the number of hours the children live together in the same house.
- iii.** Siblings, who have one common parent / custodian and spend at least 20 hours a week together. For the application to be considered, one needs to submit relevant documents **and** a declaration under oath taken in front of a notary, made by the people who have the care and custody of the children, indicating the number of hours the children live together in the same house.
- iv.** Children who are being brought up by the same adults together and are living in the same house and family. For the application to be considered, one needs to submit relevant documents **and** a declaration under oath taken in front of a notary, stating that the adults are taking care of the children together and indicating the reasonable cause for this situation. In these cases, the Admissions Board will determine if the reasonable cause presented is justified or not.
- v.** Children who are adopted or in foster care and are living with a family who have other children attending a church school. Adopted or fostered children are considered siblings to the children of the family they live with. For the application to be considered one needs to submit the Certificate from the competent agency that indicates that the child is adopted or is fostered within the family.

- d. **Children attending a Church School who wish to be transferred to another Church School** of the same religious entity. *This criterion is not applicable at this level of entry as applicants would not be attending a Church School.*

This criterion will only be available till the 2026-2027 Admissions process.

- e. **Exemption from Regular Attendance in case family is abroad for serious reasons.** This criterion is not applicable at this level of entry.

- f. **Kindergarten 2 pupils of Church Schools without Continuity.** This criterion is not applicable at this level of entry.

- g. **Children of Church School Employees or Employees of the Secretariat for Catholic Education who cannot attend the same school where the parent / custodian works.** This criterion is not applicable at this level of entry.

- h. Applicants who are eligible to apply under criteria 1a – 1c who did not apply in the stipulated time may apply under criterion 1h **at the same time as “Other Applicants”** (paragraph 10)

There will be 10 mainstream places reserved for this criterion. If places are still available at the school 1h criterion applicants were eligible for, they will be registered. Should there be more than 10 applicants for this criterion, then a ballot is held amongst them and the first 10 in rank will be enrolled in the school they were eligible for.

Those who are not registered through this ballot, will participate in the choice of school ballot as “Other Applicants”. But they will be placed on the waiting list for the school they were eligible for before those who are in the general waiting list, as indicated in paragraph 1.4.

If the places reserved for criterion 1h are not all used, these will be added to the total places available for the ballot of “Other Applicants”.

- 1.1 Criteria 1a–1c are hierarchically structured: children from Church Homes are admitted first, then children of employees in the same school, and then siblings.

- 1.2 Applicants under Criteria 1a-1c will be accepted if the number of applications is not greater than the vacant places in the relevant school/s. If the number of applicants is greater:

1. children from Church Homes are admitted first, followed by
2. children of employees in the same school, then
3. the applicants whose siblings are going to be in the same school, then
4. the applications of siblings who applied for St Francis St Luċija and their sibling is at St Francis Cospicua, and the applications of siblings who applied for St Francis San Ġwann whose sibling is at St Francis Msida and then
5. applicants whose siblings are going to be in a school of the same religious entity.

A ballot takes place amongst the applicants of a group when the number of applicants in that group is greater than the number of places. Applicants under the Siblings Criterion may choose another school of the same religious entity when there is no place in the other sibling’s school. Others participate in the Choice of School Ballot.

- 1.3 For the sake of transparency, the lists of names and criteria of applicants by school are published on www.church.mt.

- 1.4 Initially some schools cannot offer placements i.e schools which feature a 0 in the ‘Number of Places’ column of Table in paragraph 6. However a vacancy may arise in these schools either during or after the Registration process. Therefore those who are eligible need to apply.

On the same day of the Participation Ballot, particular ballots will be drawn for each school and each criterion. The following will participate in these ballots: the applicants for the schools which had no availabilities and the applicants who applied late, criterion (1h), according to the criterion they were eligible for. Ballots will be held for applicants of Employees (1b) and applicants for Employees who applied late (1h) for the same school and ballots for Siblings (1c) and Siblings who applied late (1h) for the same school. If need be this procedure will be applied also for applicants under the criterion of Children from Church Homes who applied late (1h).

These applicants will be placed on the waiting list according to the criterion hierarchy and rank order from the particular ballots.

2.0 CRITERIA 2 - SERIOUS CASES:

A number of children needing the assistance of an L.S.E., children considered as social cases and Asylum Seekers cases are accepted.

- 2.1 The Regulations that govern admission in Church Schools of Serious Cases and of children who themselves or their parents / custodians sought asylum when they came to Malta, are being published as separate documents, entitled: *Regulations for Admission into Church Schools, Malta 2025-2026 Serious Cases* and *Church Schools Admission 2025-2026 Regulations for Asylum Seekers*, respectively. The Regulations for Serious Cases and for Asylum Seekers form part of these same Regulations. These documents are available on www.church.mt.
- 2.2 The Regulations for Serious Cases provide for the admission of:
- **Serious cases of Criteria 1** i.e. Serious cases of children from Church Homes, children of employees in the same school, siblings and Social Cases of children under Care Order living in the same Residential Home.
 - **Serious cases of Criteria 3** i.e. Serious cases of “Other Applicants”.
- 2.3 **Children who need the assistance of an L.S.E.** – This Criterion includes children who:
- are statemented and need the assistance of a Learning Support Educator (L.S.E.) or similar, and for whom the schools can provide an individualised educational programme (IEP).
 - have started or are about to start the statementing process at the Statementing Moderating Panel or at the C.D.A.U.
 - have or will have certification from an educational psychologist or similar, which can lead to the assistance of an L.S.E. or similar.
 - are applying for entry in kinder one and whose autism screening resulted in the possible requirement of L.S.E. support.

Relevant documents are to be submitted with the application.

- 2.4 Applicants with a statement of needs reading ‘*Learner’s needs to be met by Class Teacher*’ apply as mainstream students. The application is to include the Statementing document issued by the Statementing Moderating Panel and the most recent psycho-educational report.
- 2.5 Applicants who have allergies and / or might need to use an Epi-Pen but do not need the support of an LSE are to apply under mainstream. On the application, the parents / custodians of these applicants **are obliged** to present the latest medical reports accordingly.
- 2.6 It is very important that if circumstances change after the application or registration phase, the Admissions Office needs to be notified. This applies if the applicant starts a process at CDAU, psychologist or medical conditions such as diabetes, epilepsy, etc, are developed or if there is change in the support given or if given the support of an L.S.E. (see paragraph 2.11).
- 2.7 Applicants who fail to apply as indicated above and are registered in a Church School, will lose their right of enrolment in the Church School. False declarations will result in invalidation of the application.
- 2.8 **Social Cases.** Children under *Care Order* fall in this category. Children who are under *Care Order* and live in the same house with other children under *Care Order* who attend a Church school may apply for the same Church school, if there are available places (see Serious Cases Regulations paragraph 1.10).

Social Cases applicants can be mainstream or with the support of an L.S.E. Therefore, they will be considered according to their condition.

This category does not cover cases which are presented with only one of the following reasons: children of unmarried mothers; separation in marriage; adoption; fostering. Also see Criteria 1c regarding adopted and fostered children.

- 2.9 **Asylum seekers.** Children who themselves or their parents / custodians sought asylum when they came to Malta. A small number of places in Church Schools is being allocated to these children.
- 2.10 Asylum seekers who need the assistance of an L.S.E. as described in paragraph 2.3 must apply according to the Regulations for Serious Cases as “Other Applicants” or according to the case itself.

2.11 Applicants for whom an application was not originally filled as a Serious Case, but start assessment by an educational psychologist or similar which might result in the support of an L.S.E., need to inform the Admissions Office immediately and ideally before the ballots. These will be placed in the relevant group according to the support needed (see paragraph 8.3 Serious Cases Regulations) and a ballot will be drawn as explained hereafter. Two groups of numbers will be presented: one group with numbers from 0 to 9, and another group with numbers from 0 to the number of tens of applicants. These two groups of numbers represent the units and the tens. A number is drawn from each group. The two numbers that are drawn will make up the applicant's number. It is probable that another applicant will already have the same number. If it evolves that these two applicants are in the chance of choosing a place and only one place is available, a ballot will be drawn for them to determine who will be awarded the place in question. This process does not cancel the choices already made (see paragraph 2.6).

3.0 CRITERIA 3 - MAINSTREAM - "OTHER APPLICANTS"

3.1 Amongst "Other Applicants" there may be siblings who are applying for the same year of admission (twins) or other years of admission. Whenever possible siblings will be enrolled in the same school or in a school of the same religious entity. This happens when one of the siblings chooses a school. If there are not enough places for all siblings, the rank order of the one choosing the school is used.

In the case of twins, triplets etc, the child who ranks low during the ballot, is given the same ballot number of the sibling who ranked higher.

This also applies to Serious Cases if the possibility exists. Serious Case applicants of Criteria 1 are enrolled first. If the School has a vacant place for Shared L.S.E. and the applicant requires a Full-Time L.S.E., the School would be unable to accept the applicant in that particular case.

When applying, each sibling must declare who the other sibling is and which Year of Admission the latter is applying for. If this requirement is not adhered to, the Criterion for Siblings will not apply. This also applies for Girls.

3.2 Should the number of total applicants from the First Criteria be greater than the number of vacant places, applications from "Other Applicants" would not be filled.

4.0 SUBMISSION OF MORE THAN ONE APPLICATION

4.1 The Application under Criteria 1b (children of employees in the same school), Criteria 1c (siblings) is also an application for Criteria 3. Therefore, there is no need for another application to be submitted. Those who do not wish to retain their Application under Criteria 3 are to write to the Board according to paragraph 15.4.

4.2 Applicants under Serious Cases are not to apply under another Criterion. If the Church Schools Admissions Board concludes that the application is not to proceed under serious cases, it will be placed under the relative criterion – view the Regulations for Serious Cases paragraph 10.4.

4.3 Applicants who may submit more than one application will be asked to make their final choice of school (either their current school or the new one) on the School Registration day.

5.0 APPLICANTS' YEAR OF BIRTH – Eligible applicants have to be born in 2022.

5.1 The Board will consider requests for exemptions from this Regulation in the light of specific reasons, including cases where applicants would have repeated a year. These requests, together with relevant documents and other information requested by the Board, are to be addressed in writing to the Church Schools Admissions Board as indicated in paragraph 15.4, not later than fifteen days from application dates. The Church Schools Admissions Board decides if the exemption request should be granted.

5.2 Children need to be toilet trained before starting school. Children who are still in nappies or pull-ups at the beginning of the scholastic year, will not be allowed to attend and will lose their place at that school. Exemption may be made for children with a statement of needs.

14.2 On the waiting list form, parents / custodians can indicate an alternative school. Parents / custodians interested in a school which had no vacancies, and which in the Schools Table of paragraph 6 had a 0 in the Number of places column, can indicate their preference for that school as well (see paragraph 1.4).

14.3 The parents’ / custodians’ preferences make-up the waiting list. This waiting list will be published on www.church.mt and is updated from time to time. The waiting list is used when a place in a school becomes vacant. This is offered according to the Admissions Criteria Hierarchy, and / or to the highest ranking applicant in the Choice of School Ballot who had preferred that school but could not choose it.

14.4 The waiting list form can be revised only once. It will start counting once the new waiting list is published.

14.5 In certain schools, the school attendance of applicants who fill a vacated place after the beginning of the scholastic year might be postponed to the next scholastic year.

14.6 The rank order established through the Choice of School Ballot serves as the general waiting list and remains active till 30th June 2026 for admission in kindergarten one for scholastic year 2025-2026.

15.0 OTHER INFORMATION

15.1 Children registered in a Church school are obliged to attend regularly the school which they registered in, from the beginning of the scholastic year.

15.2 An exemption from attendance for a period of one scholastic year may be given when parents / custodians are going to be abroad for a serious reason, for example employment, health or study. In such cases parents / custodians are to write to the Admissions Board informing of their need, the duration of their stay abroad and are to send any relevant documentation that proves that they are going to be abroad for a serious reason.

Parents / custodians can ask for an exemption for a second scholastic year by writing to the Admissions Board and by providing the necessary details. The Board will inform the parents / custodians about its decision, which decision is final. The place reserved for the child will not remain available if the exempted child does not attend school by the stipulated date.
